Thanks for the update. Look forward to a more detailed discussion in the future.

Is the current PRP work for South Andover being done under state or federal enforcement?

Hi Joan,

South Andover is a PRP-lead site. The site remedy is MNA, and the PRP is currently monitoring progress. No RI/FS is currently planned in SEMS.

Ex. 5 Deliberative Process (DP)

The State is currently providing bottled water to residents so MPCA has assured us that there is no current consumption of contaminated well water. The State's plan is to connect the neighborhood to the municipal supply; however, if the

Ex. 5 Deliberative Process (DP)

Stephanie and I have a call w/ the PRP tomorrow morning at 9am to discuss the State's data. This will all be new information to them.

Ex. 5 Deliberative Process (DP)

I'm sure that Stephanie will be able to provide a more detailed response tomorrow when she gets in, but I wanted to provide you with the basics before COB.

Thanks,
Terese
